WHOARE**DOLPHIN MORRISMEN?**

Dolphin is a men's Cotswold Morris side

Women musicians are very welcome, but we are a single-sex dancing side. Sorry Ladies! We dance a number of traditions (including Adderbury, Fieldtown, Headington Quarry, Bledington, Bampton, Ilmington and Lichfield) and have members who hail from Nottinghamshire, Derbyshire, Leicestershire and Lincolnshire.

From September to April we practice at Kingston-upon-Soar Village Hall (near J24 of the M1) and recover from the ordeal with a pint and (usually) a few tunes and songs in a local pub.

In January we generally perform a Plough play and throughout May, June and July we dance out at pubs and events around the Nottinghamshire, Leicestershire and Derbyshire borders, after which we like to try and get a good singing and music session going.
